## Positive Recognition

### COCKATOO CREDITS *Free and Frequent Awards*

#### Cockatoo Credits

This is an awards program for acknowledging our students' hard work and effort. Teachers give out 'Cockatoo Credits' in class and on the playground to acknowledge manners, great work, friendship, being respectful, safe and a responsible learner. The tokens are collected and entered into a raffle drawn each fortnight at the K-6 assembly. Two tokens are drawn out of the **K-2 box** and two tokens are drawn from the **3-6 box**. There is no limit, but teachers are encouraged to give out at least 5 per day.

<input type="radio"/> RESPECTFUL
<input type="radio"/> RESPONSIBLE LEARNER
Signed _____

#### Cockatoo Boxes

Students place their 'Cockatoo Credits' in the 'Cockatoo Box'. These are located in every classroom.

### POSITIVE REFERRALS

#### Positive Referrals

These referral forms are completed by the class teacher. Students are referred to the Principal, Dawn or other teachers. All students referred receive a Cockatoo Award. There is no limit to the number of positive referrals a teacher can make. Students are encouraged to bring the good work with them.

# MERIT AWARDS

## School Merit Awards

As part of our Student Wellbeing program at Kangaloon Public School, the Merit Award System rewards the positive aspects of students' performance, application and behaviour.

Each teacher recognises 2 students with a **merit award** each fortnight at the K-6 assembly. These are for demonstrating consistent behaviour that aligns with each of the school's core values of being **Safe, Responsible Learners** and **Respectful**.
